

Hydro One Networks Inc.

Request for Proposal

Hydro One Networks Inc. invites proposals from qualified companies who have relevant expertise in supplying and constructing an access telecommunications network infrastructure in support of its Smart Meter and Smart Grid efforts across most of the Hydro One Networks Inc. service area within the Province of Ontario, all in accordance with Hydro One's Request for Proposal ("RFP").

The Solution provider(s) will have the option to provide equipment and / or services for any and /or all of the four (4) major elements, WiMAX Radio Access Network Equipment, Microwave Backhaul Radio Equipment, Installation / Professional Services and / or Project Management / Project Integration Services (the "Project"), as further described in the RFP.

Proposals shall be clearly titled, numbered and submitted in the format outlined in the "Format for Submission of Proposals" attached as Part 4 to this Request for Proposal (RFP). Supporting documentation shall be cross-referenced, clearly marked and attached as appendices.

Complete details of this requirement are contained in the RFP. Prior to the RFP being released, interested companies must duly sign and return a [Confidentiality Agreement](#) available for download by clicking the link. Signed Confidentiality Agreements are to be returned via **fax# 416-345-6068**. **Please ensure the RFP# is referenced on your fax cover sheet.**

Once you have returned the Confidentiality Agreement, please contact the buyer via e-mail at rfp.documents@hydroone.com, using the subject line "**RFP# 3007091642 - WiMAX Provincial Deployment Solution**". Please provide your complete courier mailing address, contact name, telephone number and e-mail address. Subsequently, the RFP will be e-mailed to you.

Request for proposal closes on **Tuesday, November 15, 2011 at 3:00:00 PM local time Toronto, Ontario, Canada.**
