

## Hydro One Networks Inc.

# Request for Proposal

Hydro One Networks Inc. invites qualified consultants who are interested in submitting a proposal to design, implement, and document a First Nations consultation program to support its 2007/08 Electricity Transmission Rate application to the Ontario Energy Board.

The objectives of the First Nations program for Hydro One's transmission rate application are to:

- ◆ Educate First Nations organizations about Hydro One's transmission business, Revenue Requirement and Cost Allocation/Rate Design approach, key issues, and customer impacts and mitigation;
- ◆ Provide First Nations organizations the opportunity to provide input on Hydro One's transmission rate application and key issues;
- ◆ Provide a non-adversarial forum for Hydro One to hear First Nations views and work with them to identify, clarify issues and address their concerns with a goal to refining the transmission application;
- ◆ Build trust, credibility and long-term relationships with First Nations; and
- ◆ Help Hydro One achieve a successful outcome on its revenue requirement and cost allocation/rate design application.
