

Hydro One Networks Inc.

Request for Proposal

Project Reference # ANDERSOD-06005

Description of Hydro One:

Hydro One Networks Inc. (a wholly-owned subsidiary of Hydro One, Inc.) owns and operates one of the largest electricity transmission and distribution systems in North America.

Description of Project:

Hydro One Networks Inc. is seeking proposals from companies that can provide technical support (one full-time resource for up to 7 months) for Hydro One's Smart Metering project. Hydro One requires assistance with the definition and set-up of a proof of concept system that includes:

- Telecommunications systems,
- IT applications,
- Metering reading systems,
- System security.

Details are described in the Request for Proposal.

How to obtain documents:

Companies capable of providing the above described services can obtain a copy of the RFP documentation upon e-mail request to rfp.documents@HydroOne.com and provision of company/contact name, mailing address, contact phone number, and contact e-mail address. The subject heading of your e-mail must read: **"ANDERSOD-06005 – Technical Support – Smart Metering Project."**

Request for Proposals close 4:00:00 P.M. Local Time, Friday, April 7, 2006.
