Request for Proposal

Hydro One Networks Inc. invites qualified companies with relevant industry experience to submit proposals to define, validate, test, evaluate, and build an Advanced Distribution Solution (“ADS”) to support the connection of distribution-connected generation, all in accordance with Hydro One’s Request for Proposal (“RFP”). The ADS shall monitor and control an array of intelligent distribution power equipment and related software necessary for the safe and reliable integration of loads and generation on the Hydro One distribution system.

Complete details of this requirement are contained in the RFP. Prior to the RFP being released, interested companies must duly sign and return a [Confidentiality Agreement](#) available for download by clicking the link. Signed Confidentiality Agreements are to be returned via **fax# 416-345-6068**
Attention: Yvette Bryck. Please ensure the RFP# is referenced on your fax cover sheet.

Once you have returned the Confidentiality Agreement, please contact the buyer via email at rfp.documents@HydroOne.com, using the subject line “**RFP #SCY-1000072272 - ADS**”. Please provide your complete courier mailing address, contact name, telephone number and e-mail address. Subsequently, the RFP will be e-mailed to you.

Proposal closes **Tuesday, January 12, 2010 at 4:01:00 PM EST.**
