

Hydro One Health and Safety Policy

Our Beliefs

There is nothing more important than the Health and Safety of our employees and those who work for us.

- All injuries and work related illnesses can and must be prevented.
- Management is accountable for health and safety performance.
- Communication, engagement and training of all employees are essential elements in health and safety excellence.
- Everyone has a responsibility to prevent injuries and illnesses.
- All employees are accountable for working safely.
- Excellence in health and safety supports excellent business results.
- Health and safety must be integrated into all business management processes.

Our Commitment

We will work relentlessly towards a goal of zero injuries and illnesses.

To achieve this we will:

- Implement and sustain a world class health and safety management system.
- Identify and evaluate health and safety risks to ensure that hazards are eliminated or controlled.
- Establish an effective process for preventing all injuries and work related illnesses.
- Build a culture that requires positive visible leadership with clear accountability.
- Provide everyone with timely and effective training.
- Investigate all incidents in order to prevent a recurrence.
- Stop unsafe work.
- Establish measurable objectives to monitor progress through regular audits and performance reporting.
- Obtain input from employees and their representatives on health and safety issues.
- Promote a healthy workplace.
- Meet or exceed all legal requirements wherever we operate.
