Environmental Planner - Technical Support Section  
Ministry of Environment  
Southwest Regional Office  
733 Exeter Road, 2nd Floor  
London Ontario N6E 1L3

**RE: Rodney Transformer Station Public Information Centre #2**

Dear Craig Newton:

As a part of the Class Environmental Assessment under the provincial *Environmental Assessment Act*, we will be holding our second Public Information Centre (PIC) to inform you of the progress of this project. We have identified a preferred site for the proposed Rodney Transformer Station and the PIC is intended to provide the public with information and an opportunity to provide input. Please see the enclosed newspaper ad for details.

If you have any questions regarding this project please feel free to contact me at (416) 345-6597, or Yu San Ong at (416) 345-5031. Information regarding this project is also available on our website at [www.HydroOneNetworks.com/newprojects](http://www.HydroOneNetworks.com/newprojects)

Sincerely,

A handwritten signature in blue ink, appearing to read "Brian J. McCormick".

315 King St. W, P.O. Box 640  
Chatham Ontario N7M 5K8

**RE: Rodney Transformer Station Public Information Centre #2**

Dear Pat Bruette:

As a part of the Class Environmental Assessment under the provincial *Environmental Assessment Act*, we will be holding our second Public Information Centre (PIC) to inform you of the progress of this project. We have identified a preferred site for the proposed Rodney Transformer Station and the PIC is intended to provide the public with information and an opportunity to provide input. Please see the enclosed newspaper ad for details.

If you have any questions regarding this project please feel free to contact me at (416) 345-6597, or Yu San Ong at (416) 345-5031. Information regarding this project is also available on our website at [www.HydroOneNetworks.com/newprojects](http://www.HydroOneNetworks.com/newprojects)

Sincerely,

A handwritten signature in blue ink, appearing to be "Brian J. McCormick".

**RE: Rodney Transformer Station Public Information Centre #2**

Dear Chief Joel Abram:

As a part of the Class Environmental Assessment under the provincial *Environmental Assessment Act*, we will be holding our second Public Information Centre (PIC) to inform you of the progress of this project. We have identified a preferred site for the proposed Rodney Transformer Station and the PIC is intended to provide the public with information and an opportunity to provide input. Please see the enclosed newspaper ad for details.

If you have any questions regarding this project please feel free to contact me at (416) 345-6597, or Yu San Ong at (416) 345-5031. Information regarding this project is also available on our website at [www.HydroOneNetworks.com/newprojects](http://www.HydroOneNetworks.com/newprojects)

Sincerely,

A handwritten signature in blue ink, appearing to read "Brian J. McCormick".
