**RE: Class EA - 60 Day Review Period for the Draft ESR
Duart TS**

Dear Ron Griffiths:

Hydro One Networks Inc. has prepared a Class Environmental Assessment (EA)-Draft Environmental Study Report (ESR) for the proposed construction of a new 230-27.6 kV transformer station (TS) in the Chatham-Kent/West Elgin Area. This Class EA - Draft ESR was completed in accordance with the process described in Hydro One's *Class Environmental Assessment for Minor Transmission Facilities*.

Hydro One's preferred location for the new Duart TS is within the Municipality of Chatham-Kent, on the west side of Duart Road, just north of Highway 401. This location was selected based on results from environmental analysis, public meetings and input from regulatory and municipal officials. Construction of the TS is planned to begin in April 2010 and the new facilities are planned to be in-service by about June 2011.

A copy of the Draft ESR for the project and a CD are enclosed for your review. This is also available on the Hydro One project website: www.HydroOneNetworks.com/newprojects.

Hard copies of this report are available at the following locations:

- Highgate Public Library (291 King St)
- Rodney Library (207 Furnival Rd)
- Municipality of Chatham Kent, Civic Centre (315 King St)
- Municipality of West Elgin, Municipal Office (22413 Hoskins Line)

The 60-day public and agency review period required under the Class EA begins June 25, 2009 and ends August 25, 2009. If there are substantive issues or effects identified for this project, the Class EA process includes provision for a potential "bump up" to an Individual EA. Hydro One will make every reasonable effort to address issues that arise during the public review period. Should issues arise that would require an Individual EA, Hydro One would make the necessary revisions and submit the project as an Individual EA or cancel the project.

If you have any questions or concerns regarding this project, please feel free to contact me at 416-345-6597 or Yu San Ong, Environmental Planner, at 416-345-5031.

Sincerely,

A handwritten signature in blue ink, appearing to be 'Brian J. McCormick', written in a cursive style.
