Re: Construction of Holland Transformer Station (TS)

Dear Resident,

Hydro One Networks (Hydro One) would like to invite you to a pre-construction Public Information Centre (PIC) at the Holland Marsh District Christian School to discuss the construction of the new Holland TS. The stations site is located north of Millers Side Road and east of Dufferin Street (see attached map).

Hydro One has an important responsibility to deliver electricity in a safe, reliable and environmentally responsible manner to all Ontario ratepayers. A key part of this role is building new transmission infrastructure to meet the growing demand for electricity. Electricity demand in the York region is growing at a rate of 3 per cent each year. The new station will improve supply reliability to customers in the Newmarket, Aurora, King Township, East Gwillimbury and Bradford/West Gwillimbury areas.

The PIC will focus on construction of the transformer station, a new distribution station on the site, the landscaping plan, Hydro One's progress in meeting conditions of approval for Holland TS set out by the Ministry of the Environment and answer any questions you may have. We hope to see you there.

Meeting Information

Date: Wednesday, January 30, 2008

Open House: 6 p.m. – 7:30 p.m.

Presentation: 7:30 p.m. – 8:30 p.m.

Location: Holland Marsh Christian District School

18955 Dufferin Street, R.R. #2

Newmarket, ON

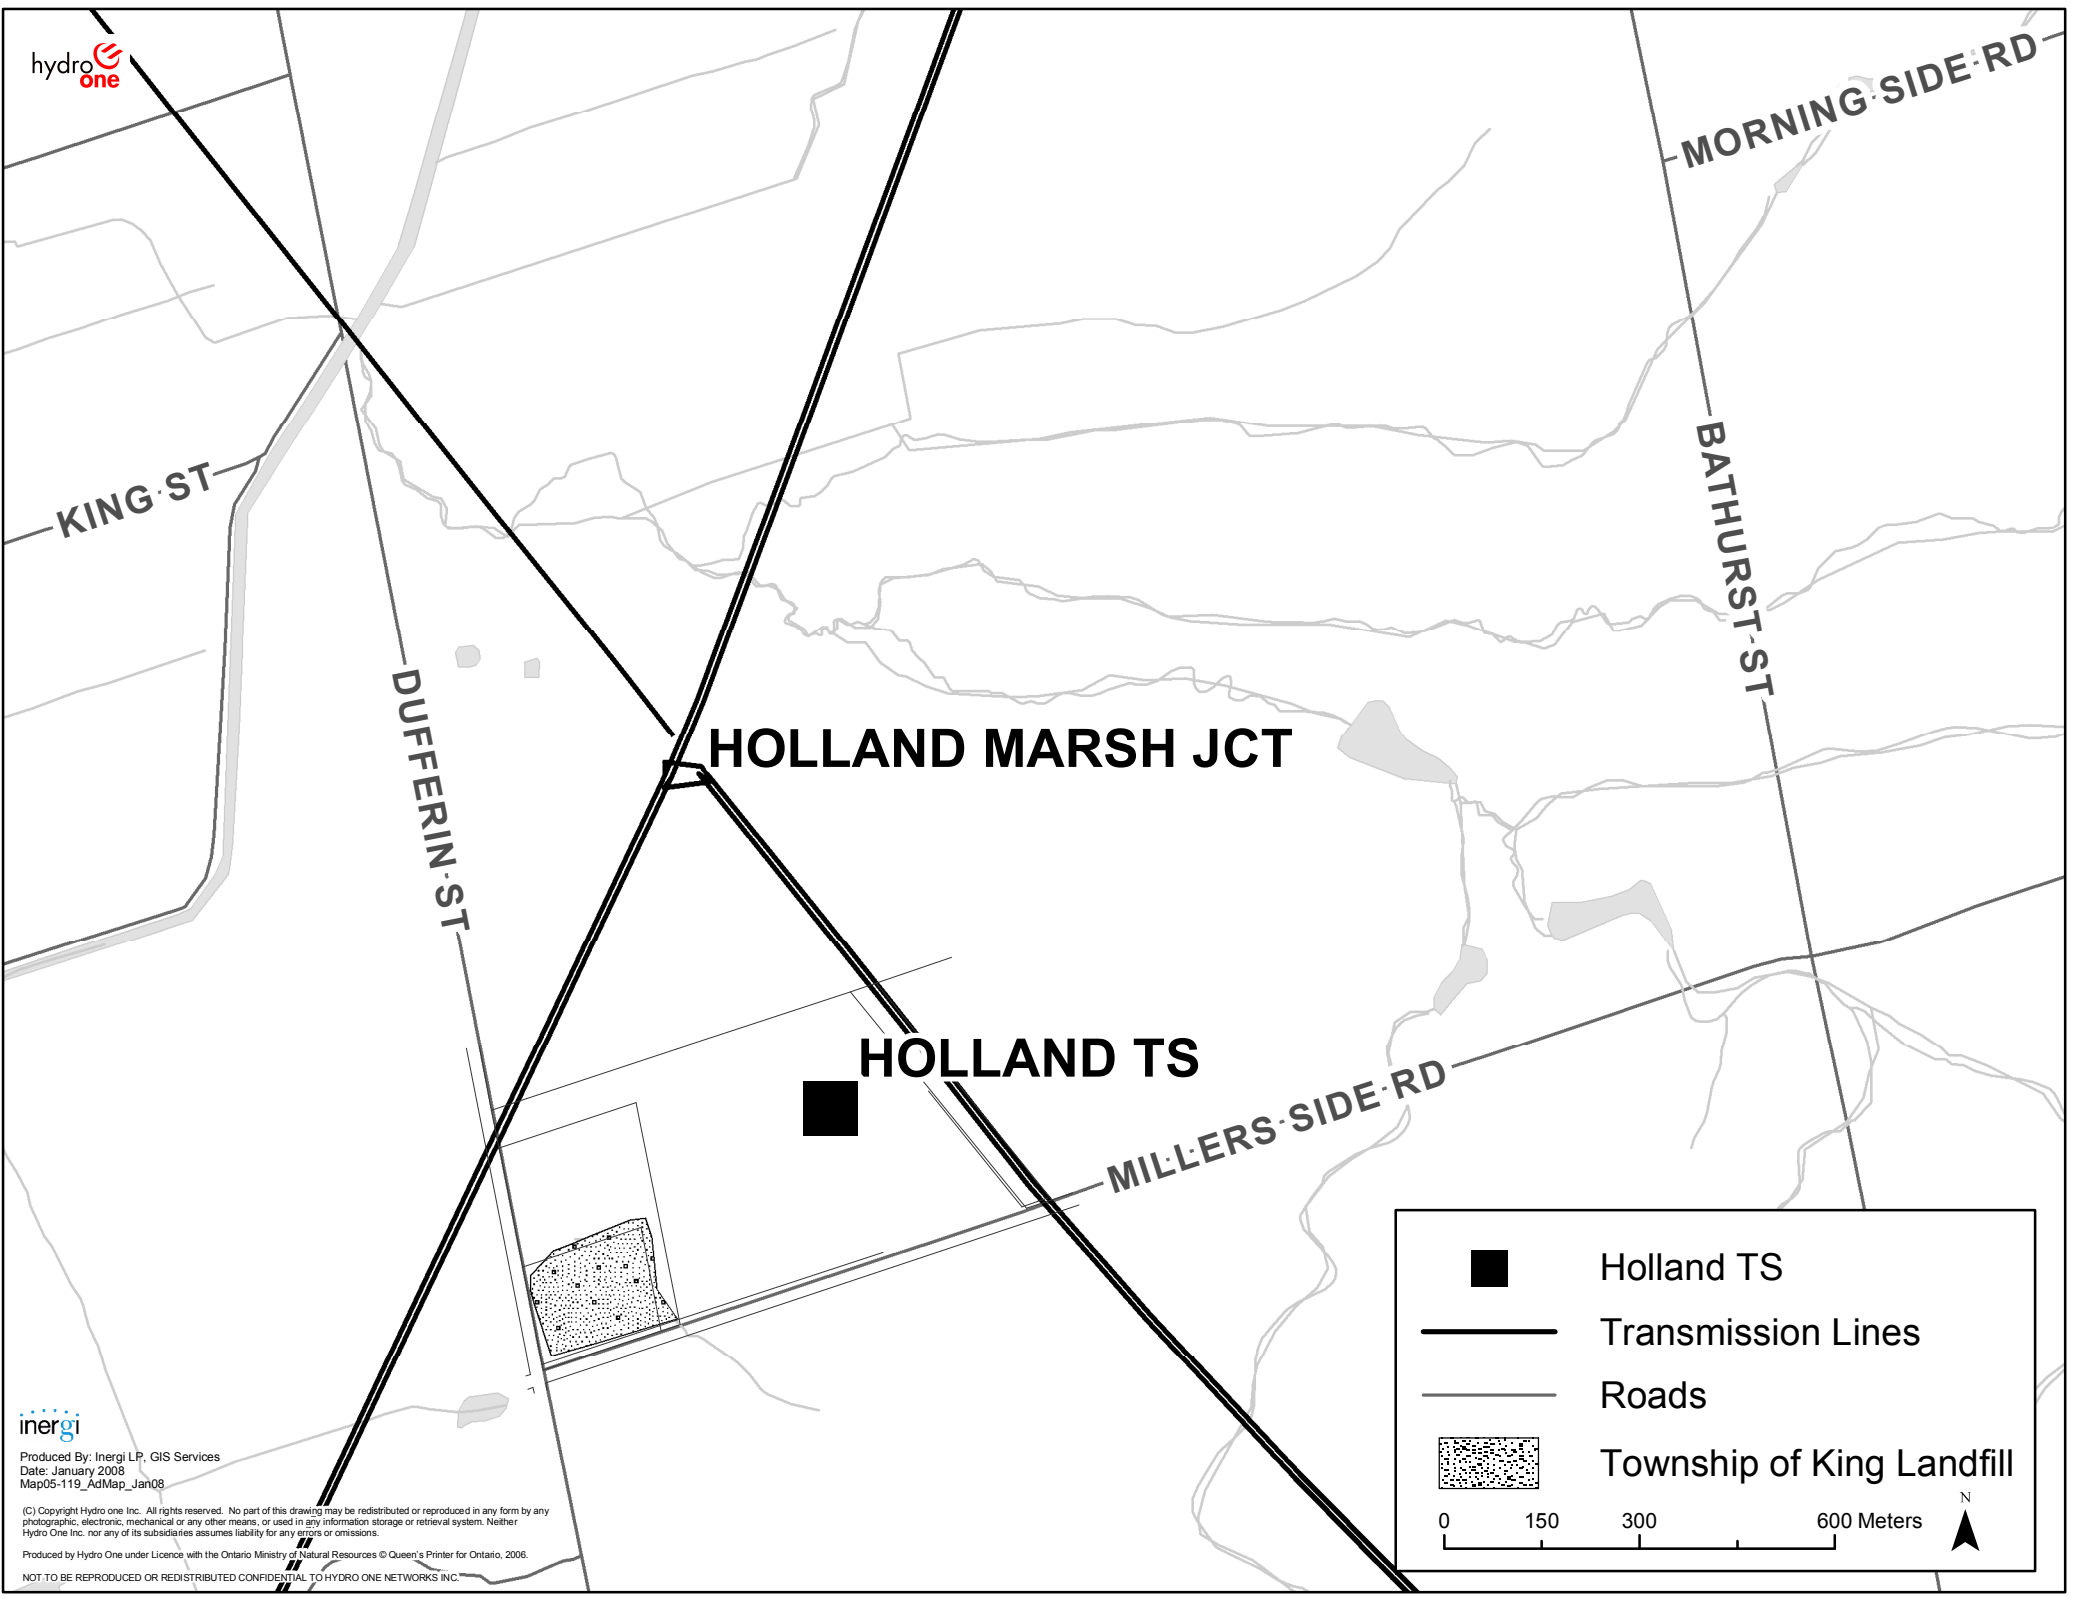

Please feel free to contact Nancy Shaddick at 416-345-5938, toll free at 1-877-345-6799 or by email at Community.Relations@HydroOne.com with any questions or concerns. You can also visit our project website at: <http://www.HydroOneNetworks.com/NewProjects>

Sincerely,

A handwritten signature in black ink, appearing to read "Enza Cancilla".
