

**APPENDIX F-4**

**HYDRO ONE NETWORKS INC.  
STANDARD SUPPLY SERVICE (“SSS”) RATES  
EFFECTIVE MAY 1, 2002**

The following rates shall remain in effective until superseded by further Order or Orders of the Board.

**APPLICABILITY:**

These rates are provided by Hydro One Networks in accordance with the provisions of Section 29 of the *Electricity Act*.

The Board has granted Hydro One Networks an exemption from the requirements under Section 2.5.3 of the Standard Supply Service Code regarding the application of the fixed reference price with respect to small volume/residential customers (RP-2001-0024/EB-2001-0321, September 4, 2001). Hydro One Networks will accordingly charge these customers in the appropriate classes noted below, the weighted average hourly spot market price (WAHSP) or the spot market price as shown below.

The related administration charge is applicable to those customers served through Standard Supply Service only.
