

Hydro One Public Safety Policy

Key Beliefs

- We play a critical role in powering the province and keeping Ontarian's safe, including hospitals and police, fire, and ambulance services.
- Establishing trust within our organization and the communities we service fosters behaviours that drive positive outcomes for all stakeholders.

Commitments

- We will follow good utility work practices to protect the public.
- We will promote public awareness of safety issues related to electrical facilities in our communities throughout the Province.
- We will encourage and support stakeholder and community safety initiatives that address public safety issues through our public safety program.
- We will use a risk-based approach to incorporate public safety considerations into business practices and decisions.
- We will work with emergency services providers to ensure our response to service interruptions is well coordinated, safe and efficient.
- We will meet or exceed legal requirements wherever we operate.
