

2024 UN SDG Chart

In 2015, the United Nations (UN) developed 17 Sustainable Development Goals (SDGs) as a universal call for action to end poverty, protect the planet and ensure all people enjoy peace and prosperity. At Hydro One we are supportive of the SDGs and have identified **eight** SDGs that are aligned with our business and sustainability objectives and where we can make a positive impact.

The information contained in this report is for Hydro One Limited (January 1, 2024 – December 31, 2024). In instances where data is available only for our operating subsidiary, Hydro One Networks Inc. (Hydro One Networks), it will be noted with an asterisk (*).

KPMG LLP (KPMG) was engaged to provide a limited assurance conclusion over indicators identified with † as at and for the period ended December 31, 2024. Our greenhouse gas (GHG) emissions data for 2024 was verified by external auditors GHD Limited (GHD) and identified by ‡. For more information, refer to the **KPMG Independent Practitioner’s Limited Assurance Report** and the **GHD Letter of Assurance**.
