

Notice of 2021 Annual Meeting of Shareholders and Availability of Proxy Materials

Hydro One Limited (*Hydro One* or the *company*) is providing you with electronic notice and access to its management information circular (the circular) for the company's 2021 annual meeting of shareholders (the meeting) instead of mailing out paper copies, as permitted by applicable Canadian securities laws. Electronic delivery is environmentally friendly and saves money. All shareholders are reminded to review the circular before voting. If you have questions about the notice and access, please call 1-877-907-7643 toll-free within North America, for service in English or French or by email at noticeandaccess@broadridge.com. This notice provides details of the date, time and means of accessing the meeting, including matters to be voted on at the meeting. Accompanying this notice is a form of proxy or voting instruction form that you will need to vote by proxy and/or to access the virtual shareholders meeting using your unique 16-digit control number.

How can I access the virtual shareholders meeting?

You will be able to access the meeting using an internet connected device such as a laptop, computer, tablet or mobile phone. The meeting platform will be supported across browsers and devices that are running the most updated version of the applicable software plugins.

Detailed information on how shareholders can participate in and vote at the meeting is available starting on page 7 of the accompanying circular.

Only registered shareholders and duly appointed proxyholders (including non-registered (*beneficial*) shareholders who have appointed themselves as proxyholder) will be entitled to participate in and vote at the meeting, all in 'real time'. Non-registered (*beneficial*) shareholders who do not duly appoint themselves as proxyholder may still access the meeting and ask questions. Guests may attend the virtual meeting but are required to register and will not be able to vote at the meeting or ask questions.

Shareholders will not be able to attend this year's meeting in person. Shareholders participating in the virtual shareholders meeting must remain connected to the internet at all times during the meeting in order to vote when balloting commences. It is the shareholder's responsibility to ensure internet connectivity for the duration of the meeting.

Why is this year's annual general shareholders meeting virtual-only?

We have decided to hold the annual general shareholders meeting again virtually via a live online audio webcast this year due to the continuing public health impact of the coronavirus (*COVID-19*). This measure is a prudent step to ensure the health and safety of our shareholders, employees and communities.
