

PLEASE JOIN US

FOR THE WAASIGAN VIRTUAL INFORMATION SESSION

Hydro One Networks Inc. (Hydro One) has been powering northwestern Ontario for more than 70 years, and we are dedicated to being your trusted community partner. We want to be ready to support growth in the region, which is why we are investing in the development work for the Waasigan Transmission Line now. Waasigan is a proposed new 230 kilovolt transmission line between Thunder Bay, Atikokan and Dryden.

Hydro One has initiated an environmental assessment (EA) under the Ontario *Environmental Assessment Act* for the Waasigan Transmission Line. The first step in the EA process is the preparation of a Terms of Reference (ToR). The ToR sets out the framework for the EA, including the studies and consultation activities to be undertaken, and identifies alternatives (such as preliminary alternative routes for the new line) to be assessed in the EA. The draft ToR was released for a 45-day review on June 29, 2020. To learn more about the project and to access the draft ToR, please visit www.HydroOne.com/Waasigan.

To protect the health and safety of our employees and community members, Hydro One is hosting a virtual information session that will include both a livestream presentation and telephone conference. By joining, you will have an opportunity to learn more about the project and the draft ToR, as well as ask live questions to members of our project team.

HOW TO PARTICIPATE

Please join us on:

Thursday, July 30, 2020 at 7:30 p.m. – 8:30 p.m. EST / 6:30 p.m. – 7:30 p.m. CST

1. To register in advance and view the livestream presentation, visit www.HydroOne.com/Waasigan.
2. To participate via telephone conference, dial **1-800-247-6004** at the time of the event.
3. To submit a question in advance or for more information, please contact Hydro One Community Relations – Community.Relations@HydroOne.com or **1-877-345-6799**.

As part of our outreach, you may also receive automated calls on July 27 and July 30 inviting you to the event.

If you would like any further information or have any questions, please contact us at: **1-877-345-6799** Community.Relations@HydroOne.com www.HydroOne.com/Waasigan

Freedom of Information and Protection of Privacy Act
 All personal information included in a submission – such as name, email address, telephone number and property location – is collected, maintained and disclosed by the Ministry of the Environment, Conservation and Parks for the purpose of transparency and consultation. The information is collected under the authority of the *Environmental Assessment Act* or is collected and maintained for the purpose of creating a record that is available to the general public as described in s. 37 of the *Freedom of Information and Protection of Privacy Act*. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the Ministry of the Environment, Conservation and Parks' Freedom of Information and Privacy Coordinator at 416-314-4075.
