Hydro One Networks Inc. (Hydro One) has applied to the Ontario Energy Board (OEB) for approval to change its electricity transmission rates effective, January 1, 2026. The application seeks an Order for approval of the following:

Other customers, including businesses, will also be affected.

Any change to the provincial transmission rate will be reflected on the delivery line of the electricity bill for all electricity customers in Ontario. It is important to review the application carefully to determine whether you may be affected by the proposed changes.
