Procurement

Indigenous

Illustration by Storm Angeconeb

Our commitment

Hydro One has committed to increasing Indigenous procurement spend to **5%** of the company's purchases of materials and services by **2026**. We will build long-standing, mutually beneficial relationships with Indigenous businesses to achieve this target.

For most major projects, Hydro One requires suppliers to procure from Indigenous businesses, further increasing Indigenous spend across our entire supply chain.

Potential opportunities

- Industrial/Construction parts and supplies
- Concrete and Aggregate
- Rental Equipment
- Hardware/software Services and Maintenance
- Residential Battery Energy Storage Systems (BESS)
- Real Estate Professional Services
- Facilities Maintenance & Security
- Waste Services
- Collaboration with approved vendors for Engineering, Procurement, and Construction (EPC) projects

Why us?

We will help you with:

- Navigating Hydro One's procurement process
- Opportunities to direct award to Indigenous businesses
- Introductions to our major suppliers for subcontractor opportunities
- Visibility on Hydro One's Indigenous Business Directory

In 2023, Hydro One secured materials and services from over 90 Indigenous businesses, spending \$142.3M – our highest spend to date.

Our definition of an Indigenous business

Hydro One considers an Indigenous business as having at least 51% ownership (including Joint Ventures by an Indigenous company, community or person(s).

Hydro One has the discretion to assess and procure from other businesses with a substantial amount of ownership rights held by one or more Indigenous businesses or people.
