## HYDRO ONE INC.

Hydro One Inc. (the “**Corporation**”) is the largest electricity transmission and distribution company in Ontario. The Corporation is currently wholly-owned by the Province of Ontario (the “**Province**”) but the Province has indicated it intends to broaden ownership in the Corporation by way of a public offering. The Corporation principally transports electricity generated by other participants in the electricity industry. The Corporation is one of the successor corporations to Ontario Hydro, which was the primary provider of both electricity generation and transmission services and a major provider of distribution services in Ontario from 1906 until 1999.

Through its subsidiaries, the Corporation owns and operates substantially all of Ontario’s high-voltage electricity transmission system and a largely rural low-voltage distribution system operating throughout Ontario. The Corporation’s transmission and distribution businesses are regulated by the Ontario Energy Board.

The Corporation was incorporated as Ontario Hydro Services Company Inc. under the *Business Corporations Act* (Ontario) on December 1, 1998. On May 1, 2000, the Corporation changed its name to Hydro One Inc. The Corporation’s registered and principal office is located at 483 Bay Street, South Tower, Suite 800, Toronto, Ontario M5G 2P5.

The Corporation is not an agent of the Province. Accordingly, the Notes will not be obligations of nor will they be guaranteed by the Province.

### DESCRIPTION OF THE SHORT TERM PROMISSORY NOTES

**Principal Amount:** The maximum aggregate principal amount of short term promissory notes (the “**Notes**”) outstanding at any one time will not exceed \$1,500,000,000 in Canadian currency or the equivalent thereof in other currencies at the time of issue.

**Purpose:** The net proceeds from the sale of the Notes will be used by the Corporation for general corporate purposes.

**Form of Notes:** The Notes may be issued at the option of the Corporation in (a) negotiable form, payable to bearer or to the order of a purchaser thereof, or (b) “book entry only” form (the “**Book Entry Notes**”), in which case such Notes must be purchased or transferred through participants (“**Participants**”) in CDS Clearing and Depository Services Inc. (“**CDS**”) debt clearing service, which Participants include securities brokers and dealers, and banks and trust companies. Indirect access to the CDS book entry system is also available to other institutions (“**Indirect Participants**”) that maintain custodial relationships with a Participant, either directly or indirectly.

The Notes may be interest bearing or issued at a discount to mature at the principal amount.

No holder of Book Entry Notes will be entitled to a certificate or other instrument from the Corporation or CDS evidencing that person’s interest in or ownership of such Note, or will be shown on the records maintained by CDS, except through an agent of the holder who is a Participant or an Indirect Participant of CDS. Registration of interests in and transfers of Book Entry Notes will only be made through the debt clearing service of CDS. All payments on Book Entry Notes by the Corporation will be made by the Corporation to the Corporation’s authorized issuing agent, which will then make payments to CDS, and such payments will be forwarded by CDS to its Participants, by Participants to holders of Book Entry Notes or, where applicable, by Participants to Indirect Participants and thereafter to holders of Book Entry Notes.

Neither the Corporation nor the registered dealers will assume any liability for: (a) any aspect of the records relating to the beneficial ownership of the Book Entry Notes held by CDS or the payments relating thereto; (b) maintaining, supervising or reviewing any records relating to the Book Entry Notes; or (c) any advice or

representation made by or with respect to CDS including those contained in this Information Memorandum and relating to the rules governing CDS or any action to be taken by CDS or at the direction of its Participants. The rules governing CDS provide that it acts as the agent and depository for the Participants, and CDS has a statutory duty to enforce payment of the Notes on behalf of the Participants. As a result, Participants must look solely to CDS and holders of Book Entry Notes must look solely to Participants for the payment of the principal and interest on the Book Entry Notes once such payment is made by or on behalf of the Corporation to CDS.

The ability of a holder to pledge Book Entry Notes or take action with respect thereto (other than through a Participant or an Indirect Participant) may be limited due to the lack of physical certificates.

The Corporation will have the option to terminate the book entry system through CDS, in which case Notes in certificated form payable to bearer or to the order of a holder thereof will be issued to holders of Book Entry Notes or their nominees.

As of the date of this Information Memorandum, only Notes payable in Canadian or United States dollars are eligible to be Book Entry Notes. Notes payable in currencies other than Canadian or United States dollars will be issued in certificated form payable to bearer or to a named payee. If CDS and its Participants decide to introduce non-Canadian or non-United States dollar short term promissory notes into the CDS debt clearing service in the future, Notes in certificated form will then be issued in “book-entry” form on the same basis as that described above for the Book Entry Notes.

The Book Entry Notes will be subject to the *Depository Bills and Notes Act* (Canada).

- Denominations:** Multiples of \$1,000, subject to a minimum aggregate of \$100,000 in Canadian currency or the equivalent thereof in other currencies at the time of issue.
- Maturities:** Up to 365 days from date of issue.
- Rates:** Available upon request.
- Delivery:** Delivery of Notes in certificated form will be made against payment by certified cheque or wire transfer and may be arranged for same day delivery to the purchaser or its agent through The Toronto Dominion Bank in Toronto. In other principal cities in Canada, delivery will be made by letter of undertaking. Delivery of Book Entry Notes will be made in accordance with the rules established by CDS.
- Payment:** At maturity, payment of the principal of, and interest on, Notes in certificated form will be made in the currency of issue at the branches of The Toronto Dominion Bank. All payments on Book Entry Notes will be made in accordance with the rules established by CDS.
- Liquidity:** The Corporation maintains lines of credit in amounts sufficient for its operations, including its commercial paper activity.
- Rating:** The following rating is given as of the date hereof and is subject to change without notice:

October 9, 2015

Dear Sirs:

**Re: Issue of Short Term Promissory Notes**

We have acted as counsel to Hydro One Inc. (the “**Corporation**”) in connection with the authorization and proposed issue and sale in all provinces of Canada by the Corporation of negotiable short term unsecured promissory notes (the “**Notes**”) having maturity dates not more than 365 days from their respective dates of issue and being in denominations or principal amounts of not less than \$100,000 in lawful money of Canada, or the equivalent thereof at the date of issue in any other currency. The Notes may be issued in certificated form, payable to the bearer or to a specified payee, or may be issued in “book entry only” form. Each Note will also have the terms more particularly described and referred to in the Corporation’s information memorandum (the “**Information Memorandum**”) dated October 9, 2015, which amends and restates the Corporation’s information memorandum dated August 30, 2000, with respect to the proposed sale of the Notes, of which this opinion forms part, and will be in the form of one of the specimen forms of the Notes included in the Information Memorandum. The Corporation has limited the aggregate principal amount of Notes which may be outstanding at any time to \$1,500,000,000 in Canadian funds or the equivalent amount in any other currency at the date of issue.

We have examined originals or copies, certified or otherwise identified to our satisfaction, of the articles of incorporation of the Corporation, as amended to date, the by-laws of the Corporation, a certified copy of a resolution passed by the directors of the Corporation relating to the issue and sale of the Notes, the forms of the Notes set forth in the Information Memorandum, and such other public and corporate records, certificates, statutes, regulations and other documents as we have considered necessary or appropriate for the purposes of this opinion. In such examinations we have assumed the legal capacity of all individuals, the genuineness of all signatures and the authenticity of all documents submitted to us as originals, the conformity to authentic originals of all documents submitted to us as certified, notarial or true copies or facsimiles thereof and the veracity of all information contained in such documents.

We have further assumed that (i) there has been no cease trade order or similar order made by a court or regulatory authority having jurisdiction preventing trades in any of the Corporation’s securities; (ii) the Corporation is not engaged in the business of trading in securities or holding itself out as engaging in the business of trading in securities; and (iii) the Notes are not convertible or exchangeable into or accompanied by a right to purchase another security and are not considered a “securitized product” for purposes of National Instrument 45-106 – *Prospectus Exemptions* (“**NI 45-106**”).

We have also assumed that any agent acting in connection with the offer and sale of the Notes that is registered under any applicable securities laws has complied with such applicable securities laws and with the provisions of its registration, if applicable, in connection with such offer and sale.

As to various questions of fact relevant to our opinion which we have not verified independently, we have relied upon certificates of, or letters from, government officials or the Corporation or its officers.

As to matters of law in the provinces of Canada other than Ontario, Alberta and Quebec, we have relied upon opinions of counsel in such provinces. To the extent that such opinions are based on any assumption or are made subject to any limitation or qualification, this opinion is based on the same assumption and is subject to the same limitation or qualification. Except to the extent this opinion is rendered in reliance on the opinions of counsel described above, this opinion is rendered solely with respect to the laws of the Provinces of Ontario, Alberta and Quebec and the federal laws of Canada applicable therein in effect on the date hereof. Our opinion set forth herein in respect of the laws of the Province of Alberta is limited exclusively to the opinion set forth in paragraph 5, and our opinions set forth herein in respect of the laws of the Province of Québec are limited exclusively to the opinions set forth in paragraphs 4 and 5, and we are not in any other paragraph of this opinion letter expressing any opinion in respect of the laws of the Provinces of Alberta and Québec.

In expressing the opinions set forth in paragraph 1 below that the Corporation is a corporation existing under the laws of the Province of Ontario, we have relied upon a Certificate of Status issued by the Ontario Ministry of Government and Consumer Services dated October 9, 2015.

With respect to the opinion expressed in paragraph 3, the enforceability of the Notes may be limited by (i) any applicable bankruptcy, insolvency, reorganization, receivership, moratorium, arrangement or winding-up laws or other similar laws affecting the enforcement of creditors' rights generally; (ii) equitable principles, including the principle that equitable remedies such as specific performance and injunction may only be granted in the discretion of the court of competent jurisdiction; (iii) the equitable or statutory power of the court having jurisdiction to stay proceedings before it and the execution of judgements; (iv) the applicable laws regarding limitations of actions; (v) with respect to the rate at which interest is payable under the Notes, the *Interest Act* (Canada), the *Criminal Code* (Canada) and similar provincial legislation which limits the rate at which interest can be payable; and (vi) with respect to Notes payable in a currency other than that of Canada, the *Currency Act* (Canada), which provides that judgement in courts in Canada may be obtained only in Canadian currency.

Based upon the foregoing, we are of the opinion that:

1. The Corporation is a corporation existing under the *Business Corporations Act* (Ontario).
2. The Corporation has all necessary corporate power to create and issue the Notes and all necessary corporate action has been taken by the Corporation to authorize the borrowing of money through the sale of the Notes and the creation, issue and delivery of the Notes.
3. The Notes, in the specimen forms set forth in the Information Memorandum when (i) duly executed, either manually or by facsimile signature, by any one of the President and Chief Executive Officer, the Chief Financial Officer or the Treasurer, (ii) in the case of Notes in certificated form, authenticated or countersigned by an authorized signatory of an issuing agent of the Corporation duly appointed by the Corporation and (iii) delivered by or on behalf of the Corporation for value, will constitute valid and binding obligations of the Corporation enforceable in accordance with their terms.
4. The French language texts of the Information Memorandum and the specimen forms of Notes are, in all material respects, complete and proper translations of the respective English language texts thereof. All laws of the Province of Québec relating to the use of the French language (other than those relating to verbal communications, as to which we express no opinion) will have been complied with in connection with the offer and sale of the Notes to purchasers in the Province of Québec provided that (a) purchasers of the notes receive Notes in bilingual form and (b) prospective purchasers of the Notes have received copies of the English and French language versions of the Information Memorandum delivered at the same time or copies of the French language version thereof only, together with forms of order and confirmation of sale in the French language only or in a bilingual form.

# OSLER

5. The Corporation may, either directly or through agents, provided that such agents must be registered in an appropriate category pursuant to applicable securities legislation that would permit them to effect, or otherwise be exempt from registration in respect of, distributions or trades in the Notes, offer and sell the Notes in each of the provinces of Canada without filing any prospectus or other documents with applicable securities regulatory authorities in Canada, except, in the case of the Province of Québec, for the filing without delay of the Information Memorandum and any other disclosure document delivered to purchasers of the Notes with the *Autorité des marchés financiers*, provided that the Notes:
- (a) have a credit rating from a “designated rating organization”, or its “DRO affiliate” (each as defined in NI 45-106), that is at or above one of the following rating categories or that is at or above a rating category that replaces one of the following rating categories:
    - (i) R-1(low) if issued by DBRS Limited;
    - (ii) F1 if issued by Fitch, Inc.;
    - (iii) P-1 if issued by Moody’s Canada Inc.;
    - (iv) A-1 (low) (Canada national scale) if issued by Standard & Poor’s Ratings Services (Canada); and
  - (b) have no credit rating from a “designated rating organization”, or its “DRO affiliate” (each as defined in NI 45-106), that is below one of the following rating categories or that is below a rating category that replaces one of the following rating categories:
    - (i) R-1(low) if issued by DBRS Limited;
    - (ii) F2 if issued by Fitch, Inc.;
    - (iii) P-2 if issued by Moody’s Canada Inc.;
    - (iv) A-1 (low) (Canada national scale) or A-2 (global scale) if issued by Standard & Poor’s Ratings Services (Canada).

The opinions in this letter are given solely for the benefit of the addressee in connection with the transactions referred to and may not, in whole or in part, be relied upon by, or shown or distributed to, any other person except that any dealer or selling agent appointed by the Corporation may rely on this opinion solely for the purposes of performing its obligations under any dealer or selling agent agreement with the Corporation in respect of the proposed issue and sale by the Corporation of the Notes. The opinions in this letter are only given as of the date hereof and we disclaim any obligation to update the opinions in this letter after the date hereof whether as a result of a change of law, change of fact or otherwise.

Yours truly,
