

Our crews are on standby 24/7 in the event of a power outage.

Keeping you safe, connected and informed

We know the impact unexpected disruptions can have on your day-to-day life. Access outage information online or by calling us. Our tools make it easy to report an outage and keep you updated with alerts. We'll provide updates every 10 minutes and let you know once power has been restored. You can also track local weather with the Storm Centre online map and the Hydro One mobile app.

Report an outage

Online at HydroOne.com/Outages

Text **92887 (WATTS)**

Call our outage line at **1.800.434.1235** anytime, day or night
