\*Subject to additional terms and conditions found at [HydroOne.com/AgriPump](https://HydroOne.com/AgriPump). Residential customers must have a Farm Business Registration (FBR) number to participate. Customer must meet all eligibility criteria. <sup>†</sup>40% savings was developed using generic pump performance curves: 3,000 operating hours per year and an annual water usage profile that is typical to the agricultural sector. Actual energy savings may vary. The AgriPump Rebate Program is a joint program of Hydro One Networks Inc., Niagara Peninsula Energy Inc. and Save on Energy. <sup>™</sup>Trademark of the Independent Electricity System Operator.
