Effective January 1, 2017, the government is introducing an 8% Provincial Rebate. If eligible, this rebate will reduce your electricity bill by 8%, an amount equal to the provincial portion of the HST, for electricity used on and after January 1, 2017. If your account qualifies for the Regulated Price Plan (RPP) and/or the 8% Provincial Rebate, please complete this form and return to our office by fax or mail as soon as possible.

3. a property that includes one or more dwellings and that is owned or leased by a co-operative as defined in the *Co-operative Corporations Act*.

You can find these Acts on the government's e-laws website at www.e-laws.gov.on.ca. For more information on the 8% Provincial Rebate and RPP, visit www.HydroOne.com/ONRebate.

Hydro One will advise whether your account(s) is/are eligible for the RPP and/or 8% Provincial Rebate only upon receipt of a completed Declaration Form. The accounts will reflect the eligibility for RPP and/or 8% Provincial Rebate until the earlier of such time as you advise us in writing that the account no longer qualifies for the RPP and/or 8% Provincial Rebate; or if there are changes to the RPP and/or 8% Provincial Rebate causing your account(s) to no longer qualify for RPP and/or 8% Provincial Rebate. You must advise us in writing if there is a change in the number of units at the property or complex.

All information submitted in this process will be used by Hydro One Networks Inc. solely in support of its obligations under the *Electricity Act, 1998* and the *Ontario Energy Board Act, 1998* and regulatory instruments made thereunder, applicable Ontario Energy Board Codes and Rules and associated policies, standards and procedures and its distribution licence. All submitted information will be assigned the appropriate confidentiality level upon receipt. Based on the information provided, we may change your account status to a "commercial rate" if more than four residential units are declared against one metered residential service, which may potentially increase your total electricity charges.
