

Unmetered Services - Customer Annual Load Accuracy Declaration

I declare that Hydro One's records in the attached file for the unmetered load connected to Hydro One's distribution system are accurate as of the date provided.

In addition, I declare that any updates to the records that I've made including but not limited to changes in load at current supply points, or new load at different supply points, are also accurate.

Reporting Period: _____

Corporation: _____

Name: _____

Title: _____

Date: _____

I have authority to bind the Corporation;

Signature: _____

Submit in PDF format to Hydro One. It is the responsibility of the unmetered load customer to ensure that Hydro One has acknowledged receipt of the declaration.
