

# WOMEN IN TRADES, TECHNOLOGY & ENGINEERING

# WOMEN IN TRADES, TECHNOLOGY, AND ENGINEERING (WTTE) IS AN EMPLOYEE RESOURCE GROUP FOR WOMEN AND THEIR SUPPORTERS OF ALL GENDERS.

## **PURPOSE**

Advocate for women in trades, technology and engineering at Hydro One in order to further corporate objectives and enhance service to our customers and communities.

## **VISION**

Support Hydro One in becoming a global leader in workplace equity, diversity and inclusion, and empower women's advancement to all levels of the organization, especially in the trades, technology and engineering sectors.

## OUR FOCUS AREAS

### Connection and Support

- Provide networking opportunities
- Connect women and their supporters
- Collaborate with other Hydro One Employee Resource Groups

### Education and Awareness

- Promote an inclusive culture
- Promote trades, technology and engineering careers
- Advocate for members regarding discrimination, harassment and bullying

### Recognition

- Celebrate the accomplishments of women in non-traditional roles
- Maintain a positive presence of women employees at all levels throughout Hydro One

## **WHAT WE DO**

- **Volunteer Opportunities**
- **Member Meetings**
- **International Women's Day**
- **Annual Symposium**
- **Take your Kids to Work Day**
- **Quarterly Newsletters**
- **Catalyst Tools**
- **Chapters**
- **And much more!**
