

JUNE 2018

SAVE THE DATE

**THURSDAY
OCTOBER 4**

2018 WTTE SYMPOSIUM

The theme of this year's WTTE Symposium is **Bridging the Gaps** and will feature a variety of speakers to focus on the topics of recruitment and retention, promotions and psychological safety.

Members interested in attending should email WTTE@HydroOne.com no later than Friday, September 21, 2018.

An official invitation will go out to all Hydro One employees on Monday, August 20, 2018. Further details, including venue location and keynote speakers, will be available at this time. Registration is on a first come, first served basis, so please register as soon as possible.

Once your attendance has been confirmed, you will receive a meeting notice with ticket information from WTTE in your calendar. Please remember to get permission to attend from your manager. All WTTE members, both male and female, are welcome and encouraged to attend.

Please feel free to share awareness of this event with your coworkers! If your colleagues are not currently members have them send an email to WTTE@HydroOne.com. We will add them to our membership and then they will be eligible for the early bird sign up. See you in October!

UPDATE FROM YOUR EXECUTIVE COMMITTEE

On July 6, your WTTE Executive Committee gathered at Cherrywood TS for their quarterly meeting.

This quarter, the team focused on planning for the upcoming Symposium; building relationships with Hydro One's biggest unions; and, readying the launch of WTTE Chapters in the fall.

The committee also met with WTTE Executive Sponsor and Chief Operating Officer, Greg Kiraly, to further discuss findings from last year's provincial tour and ways to implement member suggestions within the company.

JUNE 2018

Innovation Challenge

Through Innovation, We "Turn on the Power of Possibility"

Bring forward your ideas to help Hydro One achieve its vision of becoming a leading North American utility.

CALLING ALL INNOVATORS!

The WTTE Executive team are encouraging all of our members to participate in Hydro One's newly launched Innovation Challenge!

This platform allows Hydro One employees

to submit their own ideas on ways to improve Hydro One. The top 5 submissions will have access to \$200,000 to further develop these suggestions!

This is an amazing opportunity to get involved and share the brilliant ideas that you have thought of while working with Hydro One. If you do not have an idea to share, check out the page and vote on ideas that you think would benefit Hydro One!

The Innovation Challenge closes August 31, 2018. Visit [the Innovation Challenge page](#) for more details.

PROFESSIONAL DEVELOPMENT WITH WinSETT

The WinSETT Centre is an action-oriented organization that aspires to recruit, retain and advance women in science, engineering, trades and technology (SETT) in Canada.

They are currently offering a number of women's leadership workshops in the Toronto area starting in October 2018.

Full details can be found on the [WinSETT Event page](#).
