2018 WTTE SYMPOSIUM

We are proud to announce that this year's 2018 WTTE Symposium will be held on Thursday, October 4, 2018.

The Symposium is an all-day event for WTTE members, allies and supporters to come together and acquire tools that can be used to support and practice gender equity in all aspects of their lives.

Further details about the Symposium will be sent out in the coming weeks, until then, please hold October 4 in your calendars.

BUILDING RELATIONSHIPS WITH OUR UNIONS

On May 29, 2018, WTTE Executive Committee Members Taylor Jordan and Blazenka Monachino participated in the Tripartite Diversity Meeting with the Power Workers Union (PWU), the Canadian Union of Skilled Workers (CUSW) and the Society of United Professionals.

During the meeting, Taylor and Blazenka had the opportunity to officially introduce the WTTE to the unions and discuss the ways in which unions can champion women in the workplace, including:

- Supporting the WTTE and participating in WTTE events
- Developing official partnerships with the WTTE
- Including women in union marketing campaigns and promotional material
- Having more women getting involved with union business

They also discussed the upcoming 2018 WTTE Symposium in October. In a survey circulated after the 2017 WTTE Symposium, many Hydro One employees expressed a strong desire to see union presence and support at this event.

The WTTE Symposium organizing committee is currently offering partnership opportunities for Unions to become major sponsors of the event.

2018 HYDRO ONE LINES RODEO & EXPO

On June 16, we had the opportunity to interact with members from around the province at the WTTTe booth at the Hydro One Lines Rodeo and Expo.

Together we cheered on this year's three female competitors: Corry Ruch, Regional Line Maintainer, Jessica Rintoul, Apprentice, and Lawren Schandlen, Apprentice.

Corry and her Masters team won their category and will be representing Hydro One at the International Lines Rodeo in Kansas. Congratulations Corry! We will be cheering you on from home.

WYCA WOMEN OF DISTINCTION AWARDS

WTTTe Executives and Members attended and supported YWCA Toronto's 2018 Women of Distinction Awards.

On this truly inspiring evening, guests came together to honour eight women who have made a real difference to the lives of women and girls in Toronto. It was a privilege to celebrate these women, and so many other strong and remarkable women from across our city.

On behalf of the WTTTe Executive Committee, we would like to wish our members and allies happy Pride month and happy Aboriginal History month.

**Happy
Father's
Day!**
